

Business Insurance Names Cohen Ziffer as Finalist for The Legal Team of the Year

Business Insurance on Tuesday announced the finalists for the 2024 U.S. Insurance Awards program.

The finalists were selected by senior *BI* staff from nominations submitted to the publication.

A panel of risk managers will assess the finalists, and the highest-scoring team in each category will be announced at an awards event in New York on July 18. For more information on the event, click [here](#).
