

Securing a recovery worth more than \$1 billion

Robin served as lead counsel in successfully representing **IMO Industries** in a bet-the-company case. She helped secure unprecedented and key victories in the trial and New Jersey appellate courts that allowed the company to access more than \$1.8 billion in coverage for asbestos liabilities. After a four-day bench trial, the New Jersey Appellate Division affirmed the trial court rulings – and nearly a dozen substantive motions decided by the trial court – in favor of the policyholder.
