

“How To Maximize Insurance Coverage For Coronavirus Issues” by Robin Cohen, Marc Ladd and Alexander Sugzda

The novel coronavirus (COVID-19) has already had a significant impact on businesses around the world. Schools are closed, travel is restricted, and markets are experiencing volatility not seen since the 2008 crash. The greatest potential for coverage disputes comes when a crisis presents policyholders and insurers with unforeseen circumstances, and insurers, facing massive obligations, look for exclusions to deny coverage. Robin Cohen recently published “How To Maximize Insurance Coverage For Coronavirus Issues” in *Law360* to help corporate policyholders properly assess their coverage for recouping losses due to the coronavirus outbreak. You can find the article [here](#).
