

ICLG: Cohen Ziffer adds Apple talent

An Apple in-house insurance lawyer is the latest hire by the policyholder boutique, which opened for business at the start of the year.

New York insurance boutique **Cohen Ziffer Frenchman & McKenna** has recruited its 21st lawyer with the hire of **Jillian Raines** as partner from **Apple**.

Raines, who spent two years as an in-house corporate insurance practitioner, has garnered substantial experience in insurance procurement, claims management and risk mitigation related to retail sites, hardware and software products, and media production.
