

# Law360: “Del. Justices Say 1st Asbestos Exposure Not Coverage Trigger” in Viking Pump

Law360, Wilmington (September 12, 2016, 7:31 PM ET) — Delaware’s highest court Monday reversed a trial court’s ruling that a pair of industrial pump makers may seek only excess insurance coverage for asbestos injuries under policies that were in place when underlying plaintiffs first inhaled the toxic mineral, finding instead that coverage was triggered if any bodily injury occurred during the insurers’ policy periods.
