

# Robin Cohen Featured in Insurance Business Report: “Need Advice on Diversity? Take It From the Woman Suing You”

Robin Cohen was recently featured in an *Insurance Business* report titled “Need Advice on Diversity? Take It From the Woman Suing You.” In the article, Robin discusses the benefits of having a diverse trial team and offers advice on how law firms and companies can attract more women talent. “The best way to attract a more diverse population is to have women leaders in their organization,” Robin explained. “Meaning homegrown women who have actually made it through the ranks...millennial women are doing research and what they’re looking for are role models.”
