Robin Cohen provided commentary to *Insurance Business America's* article, "Jemb Realty Sues Insurer, Revealing Challenges Facing Commercial Property Insureds." With the second wave of COVID-19 pandemic, a new wave of lawsuits filed by commercial property owners followed. In this piece, Robin provided valuable recommendations to the commercial owners. She said, "put the insurers' feet to the fire if they don't receive a position or if they receive a denial of coverage.... Once filed, the policyholder should consider any and all means to put an issue before the court in an early motion that can be decided as a matter of law based on the language of the contract." It is common for most pandemic-related coverage for property owners to move towards early motion practice. For more details, [click](#) .
